

I'm

ALEXANDER T. BAGUAL

Design | Develop | Deliver

Hello, my name is **Alexander T. Bagual**, and I am a dedicated **IT professional** with a **Bachelor of Science in Information Technology** from **Cavite State University CCAT Campus**. I have six months of professional experience as an Graphic Designer at PEP-E Marketing and Services in Rosario, Cavite, where I have refined my skills across various creative disciplines and contributed significantly to numerous IT-related jobs within the company.

In addition to my full-time position, I have also engaged in freelance graphic design projects, collaborating with both local and international clients. My expertise includes visual merchandising, posters, photo manipulation, digital art, and logo design. I am committed to innovation and precision, consistently delivering solutions that enhance user experience and engage diverse audiences.

EXPERIENCE

GRAPHIC DESIGNER · May, 2024 - November, 2024

PEP-E Marketing and Services · Rosario, Cavite

- **Social Media Content Creation:** Design eye-catching SNS posts, newsletters, and thumbnails that align with brand identity, drive engagement, and support marketing campaigns.
- **Advanced Image Editing:** Perform photo manipulations and create GIFs to enhance visual appeal and deliver high-quality, creative assets for diverse platforms.
- **Marketing and Promotional Materials:** Develop product materials, event collaterals, and catalogs, ensuring cohesive messaging and professional presentation during campaigns and events.
- **Branding and Identity:** Craft compelling company profiles, business cards, and detail pages that communicate the organization's values, capabilities, and offerings to stakeholders and clients.
- **Digital and Video Content:** Produce engaging banners for websites, Instagram videos, and short-form content, contributing to dynamic digital marketing strategies and audience retention.
- **Prototyping and Mock-ups:** Design realistic mock-ups and versatile local company materials, providing stakeholders with a clear visualization of final outputs.
- **Technical Support:** Leverage IT expertise to troubleshoot PC's, Desktop, Laptop and Printers minimizing downtime and ensuring smooth operations for the team.
- **Problem-Solving:** Act as a dependable technical resource, resolving hardware and software issues to support the workflow of creative and administrative teams.

EXPERIENCE

GRAPHIC DESIGNER · January, 2021 - December, 2024

Freelance · Noveleta, Cavite

- **Visual Concept Development:** Designed Innovative visual materials for branding, advertising, and marketing campaigns.
- **Print Material Design:** Created professional brochures, posters, flyers, and business cards aligned with brand guidelines.
- **Digital Content Creation:** Produced engaging graphics for websites, social media, and digital advertisements.
- **Image Editing and Retouching:** Enhanced and manipulated photos to ensure visual consistency and quality.
- **Brand Identity Development:** Crafted logos, typography, and cohesive visual elements to strengthen brand recognition.
- **Motion Graphics and Effects:** Applied transitions and text overlays to enhanced visual appeal.
- **Audio-Video Synchronization:** Ensured precise alignment of audio tracks with video elements for maximum impact.
- **Video Editing:** Assembled raw footage into polished video sequences, ensuring a seamless narrative flow.
- **Final Output Preparation:** Exported and formatted video content for distribution across various platforms.

EXPERIENCE

IT Support & Programmer - INTERN · October, 2023 - January, 2024

Semitec Electronics Philippines Inc. · Rosario, Cavite

- **Software Development:** Developed three (3) efficient Expiration Programs using Visual Basic for Applications (VBA), streamlining inventory tracking and ensuring accuracy in monitoring product expirations.
- **Technical Troubleshooting:** Provided effective troubleshooting for computer hardware, software, and printers, ensuring minimal downtime and maintaining productivity across departments.
- **Event Support and Design:** Designed a professional Christmas Event Template used by the company, contributing to the success of the event by enhancing its visual presentation and branding.

IT Support - INTERN · January, 2019 - February, 2019

Noveleta, Computer Learning Center · Noveleta, Cavite

- **User Support:** Responded promptly to user inquiries, providing technical support for hardware, software, network, and other IT-related concerns.
- **Problem Diagnosis and Resolution:** Diagnosed and resolved a range of technical issues, including hardware malfunctions, software glitches, and network connectivity problems, ensuring minimal disruption to users.
